Our mission at The Shane Warne Foundation is to raise funds to help “**enrich the lives of seriously ill and underprivileged children and teenagers in Australia**”.

As an umbrella organisation, The Shane Warne Foundation achieves this by supporting a diverse cross section of charities that work ‘hands on’ and so effectively handle the day to day needs of these brave children.

We accept submissions from charities in dire need of facilities, services and the myriad of other requirements that are a constant need for the care of seriously ill and underprivileged children – the list is endless. Our board selects the beneficiaries annually, making a collective decision based on how the funds we have available can best be utilised to make an explicit difference.

**We are proud to say we have now made over 100 distributions totalling over \$3 million to more than 70 separate charities.**

**Funds raised at the event will go towards helping enrich the lives of seriously ill and underprivileged children in Australia.**
